Privacy Policy

The data Pambry Electronics Ltd holds on its clients only relates to the following areas:

1) Contact details i.e. postal address, client related telephone numbers and email addresses, we may also have details of a client's bank account details where appropriate.

2) Details of the work undertaken as requested by the client, either verbally or ongoing contract and/or agreement.

Pambry Electronics Ltd does not collect, hold & or disclose any personal data relating to the clients employees by any means.

Pambry Electronics Ltd will only make contact with the client by post, telephone, email, using the contact information which has been freely given and the information held will only be used for contacting clients by email for queries, invoices, sales and product information (i.e. offers, latest updates).

Please be assured that we will continue to take care of any data, store it securely and only use it for the purposes of keeping in touch with our clients concerning our respective ongoing association. We do not and will not pass your data to third parties, without prior agreement.

To help us to comply with the new GDPR regulations and you are happy for us to maintain this contact, then you need not take any action, however, if you require details of the information we do currently hold, please do not hesitate to contact us.

Signed

Nigel Bicknell
Manging Director
